

Hello,

I'm **William Smith**. I'm eleven and I live in **London**.

Where do you live? Do you know London?

I'm **visiting London with you**. So, look at the map of London.
There are different monuments.

Today, I'm visiting **Buckingham Palace**. It's number 1.

Buckingham Palace is where **Queen Elisabeth II** lives.

When she is in the palace, the Union Jack is flying. There are 240 bedrooms!

Tomorrow, I'll visit Big Ben and the Houses of parliament.

Bye, bye.

William
